OUR COMMITMENT

Our expert Island team is here to make life's hardest transitions easier.

OUR MISSION

To provide dignified, compassionate and individualized end-of-life and bereavement care for our Island community.

OUR SERVICES

Hospice Care

Expert care for people facing serious illness and their families—focused on comfort, dignity & quality of life, rather than cure.

Palliative Care

Specialized services for those living with serious illness who are not yet eligible or ready for Hospice services.

Grief Counseling

Grief & bereavement support for people of all ages who have experienced the death of someone significant to them.

OUR CARE TEAM

Nurses provide expert care for serious illness, including symptom and medication management.

Physicians make home visits and oversee each patient's plan of care.

Social workers offer counseling, resources, and practical support to patients, their families & caregivers.

Spiritual care providers honor and respect all faiths, traditions, and beliefs.

Home health aides/CNAs assist with activities of daily living such as bathing and personal care.

Medications, medical supplies, and equipment are delivered to the patient's home.

24/7 access to a nurse for urgent needs or questions.

Volunteer support offers patient companionship and respite for families and caregivers.

Grief and bereavement services support families before and after the loss of someone important in their lives.

A Letter From THE EXECUTIVE DIRECTOR and BOARD PRESIDENT

Dear Friends, Neighbors, and Supporters,

As I am writing to you for the first time as Executive Director, I am deeply honored to step into this role after many years serving as an RN Case Manager and Clinical Director at HPCMV. My journey with this hospice has been one of profound privileges, standing alongside patients and families during some of life's most tender moments, and witnessing the extraordinary compassion of our staff, volunteers, and community.

This year marks our 45th year of service on Martha's Vineyard, a milestone that speaks not only to our longevity but to the enduring trust and love this island has shown us. From our earliest days as a small, grassroots effort to today's comprehensive, patient-centered, Medicare-certified, and CHAP-accredited hospice program, our mission has remained constant: to provide dignified, compassionate, and individualized end-of-life and bereavement care to our island community.

I have seen firsthand how our care extends far beyond medical support. It is the gentle hand to hold in the quiet hours, the shared laughter amid sorrow, and the unwavering presence that says you are not alone. These moments are made possible because of you, our community, whose generosity sustains our work year after year.

In addition to the dedicated work of our team, I also want to honor our previous Executive Director, Cathy Wozniak, who retired in 2025. It is a privilege to follow in her footsteps. Cathy's dedicated leadership, steady vision, and heartfelt commitment have shaped this organization in lasting and meaningful ways. I am grateful to now guide us into the future of all our work together.

As we look back at the past year, we also look ahead, committed to honoring our history while embracing innovation, growth, sustainability, and broadening access to care. Our physician-led palliative consult service continues to grow to meet patients and families with serious illness where they are, both physically and emotionally—helping them discuss what matters most and make difficult care decisions, including providing a bridge to our expert hospice services. Our grief and bereavement services also continue to strengthen and expand, with the addition of dedicated counseling space for families and children experiencing grief, annual offerings of Camp by the Sea, and other community programming for children.

We continue to deepen partnerships across the island to increase awareness and access to those seeking care for serious illness while exploring ways to remain sustainable for lifetimes to come. Together, we will ensure that every person who needs us can find comfort here, surrounded by the beauty and compassion that define Martha's Vineyard. Thank you for accompanying us on this journey for 45 years, and for all the years ahead. Our island team will continue to be here for you to help make life's hardest transitions easier.

With gratitude and hope,

Chantale Patterson

CHAP re-accredited HPCMV in 2025 with no deficiencies in our survey!

HPCMV received a deficiency-free re-accreditation survey from Community Healthcare Accreditation Partner (CHAP) in September 2025. CHAP surveys are rigorous, independent reviews of hospice programs to ensure compliance with Medicare regulations, as well as additional standards of excellence to evaluate quality, safety, and performance. This rare deficiency-free result is a significant achievement that demonstrates that every area of care and operations meets or exceeds expectations. We're so proud of our team for this achievement!

2025 LEADERSHIP TRANSITIONS

Farewell, Cathy! Congratulations to Chantale & Meg!

In 2025, HPCMV experienced a meaningful series of leadership transitions, beginning with the retirement of Executive Director Cathy Wozniak, whose dedication helped shape the organization's strong foundation of compassionate care through Medicare certification, CHAP accreditation, and the development of children's grief programs.

Following Cathy's tenure, Chantale Patterson has stepped into the role of Executive Director in her ninth year with the hospice, bringing deep organizational knowledge after eight years of service as Clinical Director.

RN Meghan Cabral was promoted from Nurse Supervisor to Clinical Director, a role she assumes after six years of committed service, ensuring continuity and steady leadership within the clinical team.

In September, Sheri Lamoreaux concluded her tenure as Development Director. The organization is conducting a search to fill the position.

Cathy Wozniak's Parting Gift: A Memorial Fund for Children's Grief

With Cathy's retirement, she remains committed to the HPCMV mission. At the end of 2025, Cathy and her husband Tim provided a major gift to launch the Donna Lee Stauffer Fund for Children's Grief Counseling, in memory of her sister who died at the young age of 6.

Cathy says, "It is my hope that, over time, this fund will grow through the generosity of donors who are moved by Donna Lee's memory and share a commitment to supporting grieving children. In this way, the fund may become a lasting tribute and a source of comfort, healing, and hope for children and families in our community." To learn more about this fund, please contact us.

WHAT DO YOUR DONATIONS SUPPORT?

- **Community grief support services: 1:1 counseling & groups for all ages**
- **Annual Remembrance Events for staff, volunteers & community**
- **Palliative care visits from nurses, social workers & spiritual care**
- **Caregiver Support: Self-care and wellness services for both family & staff caregivers**
- **Community Crisis Response: Support for local groups experiencing the sudden death of a community member**
- **Camp by The Sea: Our grief camp for children & their families.**
- **Technology necessities for our team: Computers, phones, iPads, virtual meeting equipment, etc.**
- **Emergency funding to cover patient expenses not directly related to medical care**
- **Ongoing education, certification and training for staff**
- **Benefits and salaries that allow us to retain our expert staff**
- **Education and awareness: Print materials and other media for the community and our patients**
- **Essential services for operation: IT, legal, answering service, medical record storage, insurance, etc.**

VOLUNTEER PROGRAM

363 Patient care volunteer hours worked

20 Patients had at least 1 volunteer on their team

59 Administrative volunteer hours worked

14.5% Monthly average % of staff hours covered by volunteers. (5% required by Medicare)

OVER **130** Event volunteers at our annual fundraisers

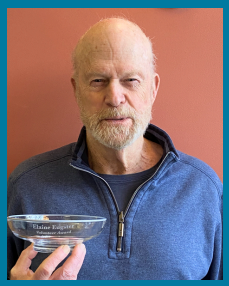

Volunteers are an essential part of our patient care and administrative team efforts. Please reach out to jangell@hospiceofmv.org if you are interested in patient care or administrative volunteering!

Event volunteers make our fundraisers possible. Please email fundraising@hospiceofmv.org if you're interested in event volunteering!

VOLUNTEER of the YEAR

CONGRATS CRAIG SAUNDERS! The Elaine Eugster Volunteer of the Year Award recognizes volunteers whose dedication exceeds expectations. Craig was nominated because he embodies Elaine's "always say yes" spirit. Craig has accepted the greatest number of patient care assignments of any volunteer since he became eligible to volunteer in June 2022! He also picks up IGI meals, assembles medical equipment, and shows up unasked after events with his truck to help clean up because he sees we need help. With a calm and pleasant attitude and an engaging sense of humor, Craig has entertained many patients with music, and always goes the extra distance.

DEVELOPMENT TEAM TRANSITIONS

In 2025, we said farewell to our former Development Director, Sheri Lamoreaux, as she began an exciting new chapter, and we welcomed two new members to our development team:

Jan Hatchard
Senior Development Advisor
Joined HPCMV as a consultant in Sept. 2025 and brings four decades of fundraising experience to guide our board and staff in donor stewardship and development planning. She works remotely from her home in VA and travels to MV regularly to work with our team in person.

Meghan Saggese
Development & Events Coordinator
Joined HPCMV full time in August 2025 after working in marketing & events for two years at a nonprofit Hospice in upstate New York. She now lives year round on-island.

BOARD EMERITUS

At our 2025 Annual Meeting, we announced Emeritus titles for two long-serving former board members to honor their high-impact service, allowing for continued involvement without the duties of active membership:

James D. Butterick, MD
Dr. Butterick stepped down from our board in 2025 following over a decade of board service, holding officer roles including president, vice president and clerk.

Polly Brown
Brown served on the board of Hospice for 12 years, including as president and other board officer positions, as an active member of many sub-committees, as well as years of patient care volunteer service.

TREASURER'S NOTES

Thanks to the steadfast generosity of our donors, donations, grants, and event support increased by $597,416 in 2025, more than offsetting a $177,517 (11.4%) decline in patient revenue. This decline was caused by fewer patient days and Medicare reimbursement rates that have decreased over the last two years. A long-awaited IRS receipt for our Employee Retention Tax Credit (ERTC) from the Covid era added $138,817 to our revenue.

We continue to maintain tight control over our expenses, which increased by $91,221 (3.4%) from 2024, with salaries and program costs making up slightly higher than 87% of our expenses in both 2024 and 2025. We sincerely appreciate the tireless effort of our caregivers, staff, and volunteers. Our administrative expenses increased slightly, offset by a negligible decrease in event expenses. Our investments grew 17.02% over the year, allowing us to fund Medicare reimbursement shortfalls and still end the year with a 12.49% increase. Our financial condition remains strong, with $5,340,696 in total investments at year-end.

– Alfred Woollacott, III, Board Treasurer

Laying the FOUNDATION for a SUSTAINABLE FUTURE at HPCMV with PLANNED GIVING

Planned Giving - establishing a bequest, annuity, or life income gift - creates a legacy of supportive care for our island community. People like you have helped build a foundation to support our mission for more than 45 years. Please join us in enabling individualized, compassionate, end-of-life care for island patients and their families and neighbors facing grief. If you would like to learn more, we can guide you in finding information about planned giving opportunities and the benefits they provide. *Contact us at fundraising@hospiceofmv.org for more info on planned giving and other ways to give (listed below).*

Other Ways to GIVE:

- Online one-time or recurring gift using credit card or ACH transfer
- Send a check to our mailing address
- Donor-advised fund grants
- Stock & Securities Gifts
- Event Participation & Sponsorship
- Retirement Fund Gifts
- In-Kind Gifts
- Employer Matching Gifts

How You CHANGED LIVES in 2025

$100	**Provided supplies for patient comfort**
$250	**Supported self care and wellness activities for caregivers**
$500	**Supported continuing education opportunities for our clinicians and counselors**
$1,000	**Funded equipment for staff in the field to provide expert care**
$2,500	**Supported one month of interdisciplinary in-home palliative care visits**
$5,000	**Supplemented costs of one year of grief counseling for individuals of all ages**

Why YOUR DONATION matters...

Even though we are now Medicare-certified to care for those covered by insurance, your generous donations are still essential to our sustainability. Medicare reimburses for a percentage of core hospice services, but the other services we provide, including our community grief counseling, camps, community events, and most of our palliative care services that make up HPCMV's mission, will require continued philanthropic support.
